

22178 - Wiping over dressings that have been placed on wounds

the question

There is something like abscesses on my leg, and the treatment is to wrap the site of the abscesses with a dressing so that water does not reach it when I do wudu. What is the ruling on wudoo' in this case?.

Detailed answer

Praise be to Allah.

Your wudu is valid if you wipe over the dressing or pass water over it.
